Disclosure: Consultations are performed on site by a board certified sleep physician whose practice is located within the Center. Fusion Sleep will perform medically necessary diagnostic testing in the Center based on physician orders. Patients for whom PAP therapy is prescribed have the freedom to choose their DME/homecare providers. The Center will coordinate referrals to either Fusion Sleep Therapy Services LLC or another DME/homecare provider as requested by the patient for the dispensing of therapeutic equipment. Please call Fusion Sleep, Medical Director at 678.990.3962 for any questions or clarifications. **F080201 – Rev 11**
